

Notice to Consumers

Before taking any prescription medicine, talk to your pharmacist; be sure you know:

Ask your pharmacist if you have additional questions.

At your request, this pharmacy will provide its current retail price of any prescription without obligation. You may request price information in person or by telephone. Ask your pharmacist if a lower cost generic drug is available to fill your prescription. Prescription prices for the same drug vary from pharmacy to pharmacy. One reason for differences in price is differences in services provided.
